Progress Towards Meeting District Goals

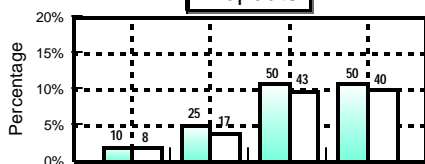

1999-00 Goals	Progress
Begin in-depth facilities planning study.	A citizens advisory committee for facilities was appointed and began meeting in spring 2000. The committee will meet monthly and make recommendations for a long-term School Facilities Plan by spring 2001.
Develop prototype plans for an elementary Library/Technology satellite building and construct units at needed site(s).	The first elementary library/technology building was built at Centennial Elementary School and opened in spring 2000. The second such building (with a few interior modifications) is under construction at Whitman Elementary School and will open in early fall.
Begin development of a new 5-year Strategic Plan that is data driven with academic goals.	Began data collection of progress on 1995-99 Strategic Plan, as well as other information. Compiled assumptions and forecasts about future trends that will impact school operations. Discussed framework for strategic plan Citizens Committee.
Develop system to better organize and use data	Several discussions were held regarding the type of information that are currently collected and how that information is stored. Different interactive electronic storage and retrieval systems were explored. The project is ongoing.
Continue work on professional development in early childhood literacy	Maintained the position of teacher-leaders in elementary schools. Trained new elementary teachers in the techniques of The Learning Network. Worked to assist teachers in interpreting the results of the ITBS as well as data derived from the new Idaho Reading Initiative (IRI) assessments.
